## INTERNATIONAL STUDENT COURSE APPROVAL

International students must obtain approval from the International Program Principal prior to course registration in an Alternate School Program. The counselor or International teacher should send this request form and student timetable to International for approval. The International Department will send a signed copy of this form back to the appropriate counselor or International teacher and to vLearn for their reference. Once approval is received students can go to [www.vlearn.ca](http://www.vlearn.ca) and complete the online application.
