School District #22 (Vernon) is pleased to be bringing in writer and storyteller, and proud member of the trans community, Ivan Coyote September 17, 2018. Ivan is the author and creator of many short books and films and has been called “a natural-born storyteller.”

As a seasoned stage performer, Ivan often visits many schools and tackles topics such as family, class, gender, identity, and social justice. Ivan's stories remind us of our own fallible and imperfect humanity while at the same time inspiring us to change the world.

Break out sessions for teachers will start at 10:00 a.m.

More information on sessions for teachers to follow.

- * Time cards will be provided for EA's, ASW'S and Bus Drivers.
- * Joint CUPE/District SSEAC funds paying 2 hours.
- * School secretaries welcome: please check with principal before attending to ensure it works for your school.
