

School District No.22 Academies and Specialized Programs enhance the curriculum. Students are motivated to strengthen their skills and improve their abilities in programs that are offered both by the district and in partnership with community organizations. Participating students will receive specialized instruction and learning opportunities that increase student engagement and success.

## ACADEMIES/SPECIALIZED PROGRAMS

Trades = Jobs

# Career Programs

**Who may participate?** Grade 11 and 12 students.

**What is the cost?** Students are responsible for college and ancillary fees (books and supplies). Tuition paid by School District No. 22.

**How to apply?** See your school counselor or the Career Coordinator at your school.

**More details?** Visit our website at
