

School District No.22 Academies and Specialized Programs enhance the curriculum. Students are motivated to strengthen their skills and improve their abilities in programs that are offered both by the district and in partnership with community organizations. Participating students will receive specialized instruction and learning opportunities that increase student engagement and success.

ACADEMIES/SPECIALIZED PROGRAMS

K-12

Distributed Learning

vLearn

Personalized Education

Who may participate? Grades K - 12

What is the cost? No Fee

How to apply?

Full Time Students:

- * Fill out an online application at vLearn.ca
- * Following registration, a learning plan is developed for each student in consultation with a vLearn teacher
- * Resources are then provided to deliver the curriculum and competencies to fulfill the individualized learning plan

Blended Students – Secondary Courses:

- * Fill out an online application at vlearn.ca
- * Registration is ongoing throughout the year

vLearn Personalized Education

- A public Distributed Learning School servicing the province of British Columbia
- Offers greater flexibility in education so students can pursue their passions
- Respects the different learning needs of all students
- Students can work towards graduation at their own pace, and in their own place

Elementary / Middle School Program (K-9)

- Designed for parents and students who need flexibility in time/ location and/or parents who wish to take a greater role in their child's development
- Provides access to extensive resources in all subject areas
- Provides space and time for student inquiry
- Recognizes the importance of socialization during weekly activity days for K-7 and event based opportunities for 8-9

Grade 10 to 12 Secondary Program

- Offers students high quality online courses for core academics and a variety of electives
- Students can enroll full time or select individual courses to supplement their program at another BC high school
- Completion of work in a month or a year – the choice is yours

Goals of the Program

- To provide an individualized program and education plan
- To fulfill the learning outcomes and competencies prescribed by the Ministry of Education
- To provide resources that support the learning outcomes
- To provide and support an alternative, flexible education program
- To encourage and support students and parents in their education goals
- To provide access to certified teachers
- To provide access to programs, classes and activities which enhance and augment the curriculum
