STUDENT VISITS AND EXCHANGES TO VERNON DISTRICT SCHOOLS

The Board of School Trustees recognizes the educational value of having our district schools host visits of students from other parts of Canada and from foreign countries.

The Board would like to be given the opportunity to be involved in the official welcome of these individuals and groups of students.

When arrangements are completed to host a student or a group of students at one of our schools the Principal is to notify the District Office of the arrangements (dates, times, number of students, from where, etc.)

As appropriate, the Principal should:

1. For individual students on extended exchange visits, arrange through the District Office to attend a Board meeting to introduce the student to the Board.
2. For student groups on exchange or visiting one of our schools, arrange through the District Office to have the Board Chairperson:
 - 2.1 meet with the group to welcome them to our District,
or
 - 2.2 attend a planned function to extend a welcome to our District.
