STUDENT TRAVEL – FIELD TRIPS

The Board of School Trustees believes that purposeful, carefully-planned student field trips promote student learning and development if they:

- Are relevant to the prescribed BC curriculum; or directly address the goals of the BC educational system (intellectual, social and emotional, or career development) and the school district stated education goals.
- Are well planned, well supervised and,
- Ensure a safe learning environment for students, volunteers, and staff participating in student field trips and,

The Board may cancel or modify a field trip approved in accordance with this policy and regulations as events occur.
