## **STUDENT RECORDS**

The Board of School Trustees believes that it has the responsibility to ensure that opportunities are provided for children to achieve the educational goals of the District in the areas of intellectual growth, physical growth, mental and emotional growth.

To assist in monitoring the progress of students toward the achievement of these goals, records will be maintained on all students in the District, including information necessary to monitor the registration and progress of homeschoolers.

The confidentiality of information pertinent to the education of students shall be maintained by all School District personnel.
