

Mr. Gee & Mr. Sasges

On behalf of Dennis and myself I would like to take this time to thank you for a multitude of things. Firstly thank you both for caring as much as you do. Thank you for taking our girl and expanding her mind, heart and emotion. For showing her not only to be great full for the life she has but for the opportunity to create and change not only her life but the lives of other around her.

Mr. Gee how do we thank you for the depth of concern you showed to Kayla when she was ill and close to having a seizure. You are amazing.

Mr.Sasges I remember you asking me what changes we had seen in Kayla since she had come home. At the time I was just happy to have my good friend and daughter home. However as time went on and more projects came, we notice her confidence has more depth, strength and passion. Kayla we are sure will carry these life skills and memories with her the rest of her life.

Thank you seems such a little menial word to express the gratitude and appreciation we have for you both and the global ed course Mr. Sasges

Yours truly  
Dennis & Kathy
