Just a reminder to our students that, any absence, for any reason, must be made up. Upon your return from an absence, please speak with your teacher as to the best day to do your needed time, (whether before or after your normal class). Also, any absence of three days or more will require a Doctors note.

Students are no longer able to have their cell phones during class time. This has been the case since the day we returned from Spring Break. If you are needing to contact your student during class time, please contact the main office or leave a message on your student's cell phone. This is now school policy. The main office number is 250-545-1736.
