

## PAC Pizza Tuesdays

The website for ordering your pizza for Tuesday's is now live. Go to <https://ellisonvernon.hotlunches.net> Use school code: **EEHL** and create a user name and password. Once you've created an account you can add your student to your profile and order their pizza. There are three options for paying:

1. With your PayPal account – if you have a paypal account the website will automatically direct you to login and pay.
2. Credit Card – when you update your order and proceed you can select PayPal as your payment method and pay as a guest with your credit card. No PayPal login required. Just your credit card information. PayPal just processes the payments on our behalf.
3. Cash – once you have placed the order you can print a remittance form and place the form and cash in an envelope or bag and place it in the PAC box in the office.

Please remember that teachers **WILL NOT** be collecting the money as they have in the past. PAC Pizza Tuesday is now organized and run by your PAC. **ALL** orders must be made online. There will be no extra pizza slices to purchase on the day of the order.

If you have any questions, or would like help with the website, please contact the PAC at: [ellisonpac@gmail.com](mailto:ellisonpac@gmail.com)
