- 8pm to 9pm General Prom Dance
- 9:30 Students arrive back at Fulton
- 9:30 to 1:30 am Supergrad at the school

## Notes to Consider:

- Grads will receive their dinner ticket at no cost and may purchase two additional family tickets. If they have an outside date, they may purchase a third ticket.
- Tickets last year were \$45 a plate (the price this year may vary) - they will be *on sale* during school lunch hours from 11:30 to 12 noon, starting on May 15<sup>th</sup> ending on June 3<sup>rd</sup> (we must have firm numbers to present to the Vernon Lodge by June 6<sup>th</sup>, therefore no late tickets will be made available)
- **Please Note:** Students are not permitted to drive themselves home at the end of the night. Arrangements need to be made to be picked up. If they live within walking distance, they are permitted to walk home. If they choose to leave early, parents will be notified with a phone call in order to give approval to leave early.
- **Guests for Supergrad** - we **DO NOT** encourage grads to bring outside guests. In the past we have observed that the guests are not entirely comfortable, and the grad ends up feeling obliged to, "babysit" their guest, rather than engage wholeheartedly with their fellow graduates. If your son or daughter insists on bringing a guest then they must go through screening just like we do for school dances. The student must be at least 16 years of age, and be currently enrolled in secondary school. It is important to note that the prizes are for Fulton Grads only.
