Growing Together ...

Caring, Capable Citizens in a
Changing World

October in Review

October was another busy month. We saw the addition of another primary class to Kidston. Those students who were moved to a new class adjusted well to their new teacher and classmates. On that note I would like to formally welcome Ms. Chanel Kyle the new grade 2/3 teacher. Both the boys and girls volleyball teams have finished up the season. Kidston is proud of the way they represented the school, the great sportsmanship they showed and the teamwork they demonstrated towards one another. Thank you Mrs. Bragg and Mrs. Dunsmore for coaching the teams and Ms. Powls and Mrs. Jacobs for refereeing many games. It was wonderful to see all the parents in the school for parent teacher interviews. Your continued support is much appreciated by us all. Finally, a big thank you to the spirit club for promoting and supporting the Halloween activities at the school on Oct. 31.
