

Kidston Parent Advisory Council (PAC) 2018/2019

PAC has an exciting year planned for our Kidston children and families!

We are making a change to how we implement our fundraising, to ensure projects are divided and all families have an opportunity to play a role and contribute in meaningful ways, however that may look 😊

Each grade will be given a fundraising task- Our hope is that there will be lead parents in each grade who will be willing to take on the project. Here is a brief breakdown by grades. Please note these are tentative and subject to change/additions. We welcome new ideas too!
