Student-led Conferences You are invited!

Student-led conferences are a valuable experience and provide an opportunity for students to share their learning with their parents.

Student-led conferences in Vernon are scheduled on February 8, and Friday, February 9. Both days are early dismissal days around the district. ***Students will be dismissed at 12:30pm on both days, with busses running two hours early. Because students will not be eating lunch on these days, there will not be hot lunch.*** Student-led conferences at OKL are scheduled for the following times:

Thursday: 1:15 pm to 5:30 pm
and
Friday: 1:15 pm to 2:15 pm

Parents have an ***open*** invitation to stop by the classroom with their child during one of these two time slots. Because student-led conferences are an important part of your child's reporting process, please plan to give your child your attention for roughly 30 minutes. Teachers find that if parents are able to make child care arrangements for younger siblings and turn cell phones off, both the parent and child can get more from this worthwhile experience. If these times do not work for you and your family, please contact your child's teacher to find an alternate time.

Please remember that:

Students will be dismissed at 12:30 on both days.

Busses will run 2 hours early.

This is a conference led by your child, not the teacher.

If you have any questions, please contact your child's classroom teacher.

We look forward to seeing you on one of these two days!
