Course offering for vLearn, Vernon Virtual Education and the Alternate Learning Programs located at Open Door Education Centre, CrossRoads Learning Centre and Six Mile Education Centre:

Biology 12

Biology 12 is focused on human biology. Starting with cell biology it investigates the structure of the cell, its structures and chemical composition, and the processes that operate within it. The course expands on how these cellular processes relate to the larger systems of the body. This includes the digestive system, circulatory system, respiratory system and nervous system, urinary system and reproductive system.
