

ALTERNATE LEARNING PROGRAMS

Open Door Education Centre
CrossRoads Learning Centre
Six Mile Education Centre

Course offering for vLearn, Vernon Virtual Education and the Alternate Learning Programs located at Open Door Education Centre, CrossRoads Learning Centre and Six Mile Education Centre:

Calculus 12

Calculus 12 is focused on students that are pursuing additional academic training in Science, Engineering, or other fields that require advanced skills in mathematical analysis. It introduces the concept of calculus as an analytical tool and how it applies to written or graphical functions. Students will be able to calculate derivatives and anti-derivatives (integrals) of these functions and apply them to understanding the underlying relationships
