

## **ALTERNATE LEARNING PROGRAMS**

**Open Door Education Centre  
CrossRoads Learning Centre  
Six Mile Education Centre**

Course offering for vLearn, Vernon Virtual Education and the Alternate Learning Programs located at Open Door Education Centre, CrossRoads Learning Centre and Six Mile Education Centre:

### **Earth Science 11**

Earth Science 11 is a course that introduces students to the Earth and its environment. The material that make up the Earth and the processes such as weathering, erosion, tectonic motion, and volcanism that act on it. Students will understand the Earth's history the development of landforms and the science of the oceans and the sky (meteorology). The course includes comparison between our planet and what we know about other planets in the solar system and what the study of astronomy and other space sciences tells us about the development of the universe.
