Course offering for vLearn, Vernon Virtual Education and the Alternate Learning Programs located at Open Door Education Centre, CrossRoads Learning Centre and Six Mile Education Centre:

### **French 10**

In Core French 10 students engage in spontaneous interactions using memorized vocabulary and structures and develop descriptive skills that include linking and sequencing of narrative. Students are able to work with an increasing variety of French print materials, media, and the Internet to locate information to complete various tasks. After experiencing a range of French creative works, students are able to provide more detailed oral, visual, and written responses as their facility with French increases. Students study the influence of the French language and compare Francophone customs and cultural clues.
