Course offering for vLearn, Vernon Virtual Education and the Alternate Learning Programs located at Open Door Education Centre, CrossRoads Learning Centre and Six Mile Education Centre:

Geography 12

Geography 12 focuses on the impact of geography on social systems. This include the interrelationship of people, places, and resources: human and physical systems; resource management and resource sustainability. Student will look at local, regional, and global perspectives of environmental issues. The course is organized around themes location, place, human and physical interactions, movement, and regions and how the systems of Earth such as weather, climate, and tectonic processes effect the world we live in.
