Social Justice 12

Social Justice 12 is an elective course that explores the nature of a just and equitable society by focusing on social justice issues. It offers students opportunities to study the legal, political, ethical, and economic perspectives that inform Canadian concepts of justice and equality. Students will deliberate on social justice matters--local to global--for the purpose of developing and demonstrating behaviours that promote social justice, including recognizing injustice, fairmindedness, embracing diversity, empathy, and taking action.
