

Criticisms of Literature → p. 298 D.L. p 269 D.A.L.

Ways of Criticizing:

- ① Author biography → focus on author
- ② Formalist → focus on the work itself
- ③ Psychoanalytic → focus deep seated concerns of the human psyche: sex, anxieties, traumas, etc.
- ④ Myth → focus on myths & archetypes in the collective memory.

③ Marxist → focus on the common & the oppressed

④ Feminist → focus on treatment of the female within the story.

⑦ Structuralist → focus on the structure of the story & how character go thru that action within the story.

⑧ Poststructuralism

⑨ Deconstructionism → tearing apart for a new meaning

⑩ Multiculturalism → focus on work from a different culture, skin colour,
