

## Vernon Secondary Golf Practice Schedule 2008

Dear Players and Parents;

In addition to the tournament schedule, we have arranged for **Fall Practice Sessions** at the Spallumcheen Golf and Country Club every Thursday at 4:00.

For **Ten (\$10)** students may play the **9 hole par 35 Executive course** and Spallumcheen allows them to hit some practice balls for free. Students must have their own equipment and have played some golf.

We coaches play with the students and offer some advice on all aspects of play. We do not offer extensive instruction.

We will leave school a.s.a.p after 3:00pm on these days and tee off at 4:00. Some students find their own rides, but we can accommodate a few students needing rides.
