In February of 2025, a gradual entry survey went out to parents, administrators, EA's, child care staff, and teachers. 105 participants responded, the majority of which were parents (70) and teachers (24). The Gradual Entry Advisory group met twice to look at the survey data and discuss various perspectives from all stakeholders. Through this collaboration, this schedule was created for the 2025/26 year.

Schools will notify families/caregivers of which group your child will be in. Families will be notified of classroom teacher/class assignments no later than September 12.
