BGC Okanagan Licensed Child Care Programs - North Okanagan

Our licensed childcare programs provide activities to promote all aspects of a child's social, emotional, physical, intellectual, and creative development. We strive for each child to experience a sense of belonging and inclusion.

Our dedicated Educators connect each family's unique and diverse strengths, and maintain relationships based on mutual trust, openness and respect. Communication is vital and we encourage two-way dialogue between families and Educators. To support quality in our programs, we invest in our Educators, provide professional learning opportunities, and encourage responsive, reciprocal and reflective practice.
