Are you currently working or volunteering?

Would you like to get high school credits for the employment skills you are gaining in the workplace?

Program Details:

This program give students the opportunity to participate in, observe, and learn about the tasks and responsibilities related to an occupation or career.

Students will need 110 hours to complete Work Experience.

Please note students can only count hours after they have met with their Career Coordinator and completed required paperwork.

Work Experience (WEX 12A/WEX 12B) can count as credits for up to two full courses.

Businesses must have an valid WorkSafe BC Account that is active and in good standing
