Dual Credit Application

Congratulations on deciding to take this exciting step forward into your education and future career! This guide will be helpful as you prepare your application for submittal to us.

WHAT IS DUAL CREDIT?

Taking part in this program means that you will attend a college program while enrolled in high school. You will receive both college credits and a number of Grade 12 credits that will be used towards your required graduation credits. The school district will provide tuition sponsorship for the foundation or certificate program. Your Career Coordinator will support you throughout the application process and the remainder of the program.

PLEASE READ STEPS FOR SUBMITTING AN APPLICATION:

- It is in your best interest to complete your application as soon as
 possible to give you the best chance for admittance into the
 college program. This would ideally be completed as close to the
 registration opening date as possible, usually a year in advance to
 the start date. We will also require time to review your
 application.
- Submit the application package to your Career Coordinator for review and they will forward the completed application to the Career Programs District Office.
- You may be asked to complete an entrance exam for English and/ or math competency.
- In addition, your attendance, behavior record, and transcript will also be reviewed.
- If a candidate is successful their application will be sent to the post-secondary institution by the Career Department staff.
- The Career Department and the post-secondary institution will notify the candidate via email if accepted into the program. A conditional acceptance letter will be sent via email to the candidate as well as information from the post-secondary regarding class start times, textbooks, etc.

ADDITIONAL ITEMS THAT NEED TO BE SUBMITTED WITH YOUR APPLICATION

Resume

Include an up-to-date resume.

Personal Letter in Support of Application

Create a letter that answers the following questions: What makes you confident that you have selected the best Dual Credit program for yourself? How does the program selected relate to your planned occupation/career? Why do you believe you will be successful in completing the program? What skills and experiences do you already have that will help lead to your success? Support your answer with three relevant examples.

Community Reference Letter

Ask an employer, coach, teacher, family friend, etc. (must be an adult and not family), for a reference letter explaining why they recommend you for the program. What skills and personality traits do they believe you possess that would make you successful at completing this program?

WorkSafe Certificate

You should have completed a WorkSafe module in your CLE 10 (Career Life Education) class. Most teachers will provide a WorkSafe Certificate upon successful completion of this module. If you did not receive a certificate then you'll need to complete the unit and test as described in the application package.

CONDITIONAL ACCEPTANCE

After being admitted into the Dual Credit Program students are conditionally accepted and School District #22 reserves the right to refuse/remove sponsorship of any student due to poor attendance, achievement or discipline issues, etc., either prior to the start of the program or through its duration.

JOB PROFILE RESEARCH (PART A)

To support your application, you must complete the following research of your selected job or career. **Please provide thoughtful and insightful responses to each question**. Answers to these questions will help determine a student's commitment and readiness to start a Dual Credit Program.

Use this website to help with your research: www.workbc.ca/jobs-careers/explore-careers.aspx Occupation: High School Pre-Requisites: School/Programs needed: Future Potential at this type of job (is there work?): What are your future goals related to this career? _____

JOB PROFILE INTERVIEW (PART B)

Find someone in the career field in which you have researched and are interested in and ask them the following interview questions.

What is your trade or occupation?	
What are some of your job duties and responsibilities?	
What are some of the prerequisites you need to get into this career?	
Are there other courses that would help you succeed in this career?	
What are some of the highlights of this occupation?	
What are some of the downfalls of this occupation?	
What are some of the safety factors concerning this occupation?	
What are the chances of promotion in this career?	
What is some advice you would give me on pursuing this as a career?	
Name of Person Interviewing: Phone No.:	

JOB PROFILE REFLECTIONS (PART C)

Answer the following questions based on your research. What are some things you found out about this career that you did not know before? Based on your research, are you still interested in this career? Why? Are there any Post-Secondary or Community run courses that would help you get a job in this career? What are your immediate plans as far as pursuing this career? What are your long-term plans as far as pursuing this career? Do you consider this a life-long career? If not, what are your long-term plans?

Sponsoring a student at NLC

Sponsoring a student is a formal agreement between your organization and Northern Lights College that in simplest terms, is a promissory note to cover the costs associated with education. Sponsoring a student is different than customized training as customized training does not specifically identify the student in the contract. For details on payments, refunds, and penalties for customized training, please see your contract.

As a sponsor, there are some important details that you should know. You may also want to consider best practices: www.nlc.bc.ca/Services/AR/sponsorship

As a sponsor, you can and should identify what you are willing to pay for. Charges a student may encounter include:

- Tuition The actual cost of the course(s) and is eligible for tax consideration.
- **Student fees** The fees associated with being a student including the NLC Student Association fees.
- **Instruction Related fees** Some programs or courses may have these fees to cover the cost of resources, supplies, and materials.
- Textbooks
- Tools, uniforms, certification exam fees Additional costs that a student might encounter to start or finish their program.
- Accommodation: A student may need to move or live in an NLC residence.

Details on the costs of NLC programs are available at www.nlc.bc.ca/Admissions/Tuition. Sponsors may also want to limit the total amount they are willing to pay.

Refunds for Tuition, Student Fees, and Instruction Related Fees will be returned to the Sponsor, providing a formal agreement with NLC exists. If you have simply paid on behalf of the student (without an sponsorship authorization agreement with NLC), refunds will go to the student.

Payment terms are defined on the invoice to sponsors, but normally follow the same payment terms as students; payment in full by the first day of classes.

Many of NLC's courses and programs require pre-payment of a deposit before a student can enrol. The deposit is non-refundable – even if the student doesn't come. The deposit is also non-transferrable; if a student does not come, it cannot be transferred to another student. If a deposit is required, it must be paid at the time of enrolment and cannot be deferred to invoice. (Note that students who cannot provide a deposit but have confirmed funding can request a Deposit Waiver).

Sponsors may revoke their agreement to sponsor a student prior to the first day of classes by emailing details including the sponsoring organization name, the student name, and the NLC student ID number or birthdate to financialservices@nlc.bc.ca. After the first day of classes, all fees are due and payable as outlined in the sponsorship agreement, regardless of whether the student attends or sponsorship is withdrawn. Note that if a student drops the course(s) before the refund deadline, there may be a refund to the sponsor. Revoking sponsorship does not withdraw a student from the course(s); only the student may do that.

Sponsors often expect evidence that a student attended and/or completed a program or course. The student may request a Confirmation of Enrolment and/or a Transcript be sent to the student or directly to the sponsor.

Sponsors also often want to check-in on how their students are doing. Note that a sponsorship agreement would not entitle the sponsor to ask the College directly for information about enrolment, attendance, grades, or financial information.

If a sponsor requires direct access to NLC to discuss a student's enrolment, attendance, grades, or financial information, the student must complete a Release of Information.

T2202A Tuition, Education, and Textbook Amounts Certificate are issued to students (not sponsors). Sponsors seeking education tax credits should contact their student.
