

All School District 22 (Vernon) Facility Rentals Cancelled

January 4, 2022 – Vernon, BC – As a result of last week's announcement by the Ministry of Education, regarding school closures, effective January 4, 2022, School District 22 (Vernon) is limiting public access to all school district sites by cancelling all facility rentals. This preventative action is to assist in curbing the spread of COVID-19 and support Health Official requests for enhanced social distancing.

These cancellations affect any scheduled:

- Community (youth and adult) groups; and
- Non-Profit Societies.

During this time of closure, we also ask that any staff who need to enter District buildings, to please refrain from bringing in additional family members in to the schools.

Community groups who had events scheduled at a School District 22 site will be receiving communication from the Maintenance Department. Alternatively, questions or concerns can be sent to maintenance@sd22.bc.ca.

School District 22 continues to work with public health officials and the Ministry of Education on the COVID-19 response.

Please continue to follow [@SD22Vernon](https://twitter.com/SD22Vernon) on social media or visit www.sd22.bc.ca to receive the latest updates on COVID-19 as they relate to School District 22 (Vernon).
