## MANAGEMENT REPORT

Version: 9720-8974-6992

### Management's Responsibility for the Consolidated Financial Statements.

The accompanying consolidated financial statements of School District No. 22 (Vernon) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the consolidated financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the consolidated financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 22 (Vernon) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal consolidated financial statements on a quarterly basis and externally audited consolidated financial statements yearly.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of School District No. 22 (Vernon) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's consolidated financial statements.

## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Education of School District No. 22 Vernon, and

To the Minister of Education and Child Care, Province of British Columbia

### **Opinion**

We have audited the consolidated financial statements of School District No. 22 Vernon (the Entity), which comprise:

- the consolidated statement of financial position as at June 30, 2026
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net debt for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies (Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements as at and for the year ended June 30, 2026 of the Entity are prepared, in all material respects, in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the financial statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Other Matter – Comparative Information**

The financial statements for the year ended June 30, 2025 were audited by another auditor who expressed an unmodified opinion on those financial statements on September 25, 2025.

### **Emphasis of Matter – Financial Reporting Framework**

We draw attention to note 2(a) to the financial statements which describes the applicable financial reporting framework and the significant differences between the financial reporting framework and Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

## **Other Information**

Management is responsible for the other information. Other information comprises:

- Information included in Unaudited Schedules 1-4 attached to the audited financial statements
- Management's Financial Statement Discussion and Analysis

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the Information included in the Unaudited Schedules 1-4 attached to the audited financial statements and Management's Financial Statement Discussion and Analysis as at the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the financial statements**

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget and Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

## **Auditor's Responsibilities for the Audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.  
The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for the purposes of the group audit. We remain solely responsible for our audit opinion.

**SCHOOL DISTRICT NO. 22 (VERNON)**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2026**

---

**NOTE 1      AUTHORITY AND PURPOSE**

The School District, established on April 1, 1946, operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 22 (Vernon)", and operates as "School District No. 22 (Vernon)" or "SD22". A board of education ("Board") elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district and is principally funded by the Province of British Columbia through the Ministry of Education and Child Care ("MECC"). The School District is exempt from federal and provincial corporate income taxes.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The consolidated financial statements of the School District are prepared by management in accordance with the basis of accounting described below. The significant accounting policies of the School District are as follows:

a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Section 23.1 of the *Budget Transparency and Accountability Act of the Province of British Columbia*. This Section requires that the financial statements be prepared in accordance with Canadian public sector accounting standards except in regard to the accounting for government transfers as set out in Notes 2(f), 2(g) and 2(n).

In November 2011, Treasury Board provided a directive through Restricted Contributions Regulation 198/2011 providing direction for the reporting of restricted contributions whether they are received or receivable by the School District before or after this regulation was in effect.

As noted in notes 2(g) and 2(n), Section 23.1 of the *Budget Transparency and Accountability Act* and its related regulations require the School District to recognize government transfers for the acquisition of capital assets into revenue on the same basis as the related amortization expense.

As these transfers do not contain stipulations that create a liability, Canadian public sector accounting standards would require that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410; and
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100.

---

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

a) Basis of Accounting *(Continued)*

The impact of this difference on the financial statements of the School District is as follows:

Year-ended June 30, 2025 – increase in annual surplus by \$6,886,279

June 30, 2025 – increase in accumulated surplus and decrease in deferred contributions by \$108,260,360

Year-ended June 30, 2026 – decrease in annual surplus by \$869,713

June 30, 2026 – increase in accumulated surplus and decrease in deferred contributions by \$107,390,647

b) Basis of Consolidation

These consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity, which is comprised of all controlled entities. Inter-departmental balances and organizational transactions have been eliminated.

The School District controls 554210 B.C. Ltd, a company which owns a woodlot license to facilitate the delivery of the School District's educational program. 554210 B.C. Ltd is incorporated under the BC Company Act. Revenue is generated by 554210 B.C. Ltd primarily through the sale of timber. All of the shares of 554210 B.C. Ltd are held by third parties in trust for the benefit of the School District.

c) Cash and Cash Equivalents

Cash and cash equivalents include cash deposits that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These cash equivalents generally have a maturity of three months or less at acquisition or are redeemable on demand and are held for the purpose of meeting short-term cash commitments rather than for investing.

d) Accounts Receivable

Accounts receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

e) Unearned Revenue

Unearned revenue includes tuition fees received for courses to be delivered in future periods and receipt of proceeds for services or products to be delivered in a future period. Revenue will be recognized in that future period when the courses, services, or products are provided.

---

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

f) Deferred Revenue

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by the Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2(n).

g) Deferred Capital Revenue

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that creates a liability in which case the transfer is recognized as revenue over the period that the liability is extinguished. See note 2 (a) for the impact of this policy on these financial statements.

h) Employee Future Benefits

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include accumulating non-vested sick leave, retirement/severance and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing.

The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime ("EARS") of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2025 and projected to March 31, 2028. The next valuation will be performed at March 31, 2028 for use at June 30, 2028. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

The School District and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

i) Asset Retirement Obligations

A liability is recognized when, as at the financial reporting date:

- (a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) the past transaction or event giving rise to the liability has occurred;
- (c) it is expected that future economic benefits will be given up; and
- (d) a reasonable estimate of the amount can be made.

The liability for the removal of asbestos and other hazardous material in several of the buildings owned by the School District has been initially recognized using the modified retroactive method. The liability has been measured at current cost as the timing and amounts of future cash flows cannot be estimated. The resulting costs have been capitalized into the carrying amount of tangible capital assets and are being amortized on the same basis as the related tangible capital asset. Assumptions used in the calculations are reviewed annually.

j) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Consolidated Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- Works of art, historic assets and other intangible assets are not recorded as assets in these consolidated financial statements.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2026**

---

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

j) Tangible Capital Assets *(Continued)*

- The cost, less residual value, of tangible capital assets (excluding sites and work-in-progress), is amortized on a straight-line basis over the estimated useful life of the asset. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful life is as follows:

|                       |          |
|-----------------------|----------|
| Buildings             | 40 years |
| Furniture & Equipment | 10 years |
| Vehicles              | 10 years |
| Computer Software     | 5 years  |
| Computer Hardware     | 5 years  |

k) Capital Leases

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the School District are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the School District's rate for incremental borrowing or the interest rate implicit in the lease.

All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

l) Prepaid Expenses

Amounts for insurance, software license fees and other services are included as a prepaid expense and stated at acquisition cost and are charged to expense over the periods expected to benefit from it.

m) Funds and Reserves

Certain amounts as approved by the Board are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved.

n) Revenue Recognition

Revenues are recorded on an accrual basis in the period in which the transactions or events occurred that gave rise to the revenues, the amounts are considered to be collectible and can be reasonably estimated.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2026**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

n) Revenue Recognition *(Continued)*

Contributions received or where eligibility criteria have been met are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District must meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred,
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased, and
- Contributions restricted for tangible capital assets acquisitions other than sites are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards, which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that creates a liability, in which case the transfer is recognized as revenue over the period that the liability is extinguished. See note 2(a) for the impact of this policy on these financial statements.

Revenue from transactions with performance obligations is recognized when (or as) the performance obligation is satisfied (by providing the promised goods or services to a payor).

Revenue from transactions with no performance obligations is recognized when the district:

- (a) has the authority to claim or retain an inflow of economic resources; and
- (b) identifies a past transaction or event that gives rise to an asset.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

o) Expenditures

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

**YEAR ENDED JUNE 30, 2026**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

o) Expenditures *(Continued)*

Categories of Salaries

- Principals and Vice-Principals are categorized as Principals and Vice-Principals.
- Superintendents, Assistant Superintendents, Secretary-Treasurers, Trustees and other employees excluded from union contracts are categorized as Other Professionals.

Allocation of Costs

- Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and indigenous education, are allocated to these programs. All other costs are allocated to related programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

p) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and debt. All financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these investments upon initial recognition and amortized using the effective interest rate method. Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability.

Unrealized gains and losses from changes in the fair value of financial instruments measured at fair value are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations. There are no measurement gains or losses during the periods presented, therefore no statement of remeasurement gains or losses is included in these financial statements.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

p) Financial Instruments *(Continued)*

All financial assets except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

q) Measurement Uncertainty

Preparation of consolidated financial statements in accordance with the basis of accounting described in note 2 a) requires management to make estimates and assumptions that impact reported amounts of assets and liabilities at the date of the consolidated financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the estimated useful life of assets and estimated employee future benefits. Actual results could differ from those estimates.

r) Related Party Transactions

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

**Operating Fund**

The Operating Fund accounts for the School District's operating grants and other operating revenues. Legislation requires that the School District present a balanced budget for the Operating Fund, whereby budgeted expenditure does not exceed the total of budgeted revenue and any surplus in the operating fund carried forward from previous years.

The amounts restricted for Indigenous Education commitments represent the unspent portion of MECC grants which legislation stipulates the District must spend on the provision of Indigenous education programs and services. Regulation 198/2011 of the Budget Transparency and Accountability Act of British Columbia requires that an unspent contribution which is subject to a legislative stipulation as to its use be recorded as a deferred contribution. The MECC has directed that this amount be recorded within Accumulated Surplus, which is the treatment adopted here.

**Special Purpose Funds**

The Special Purpose Funds account for grants and contributions received which are directed by agreement with a third party towards specific activities. As these are targeted grants, any unspent funding is typically accounted for as deferred revenue, not as accumulated surplus. The Special Purpose Funds also account for the operating revenues, expenses and surplus of 554210 BC Ltd, a related entity which owns a woodlot license.

**Capital Fund**

The Capital Fund accounts for the School District's investment in its existing capital infrastructure, including the existing buildings, furniture, computers and equipment. It also reflects local capital, which represent surpluses the Board has allocated to fund future capital purchases.

|                                     | 2026                 | 2025                 |

| Invested in tangible capital assets | 25,836,283           | 26,570,151           |
| Total Capital Fund                  | <u>\$ 27,044,216</u> | <u>\$ 27,596,157</u> |

The amounts within local capital represent cumulative unspent amounts transferred to the capital fund from the operating fund, interest earned on the local capital balance, and proceeds from the sale of certain assets.

The School District has transferred the following amounts from the Operating Fund to the Local Capital Fund:

|                          | Budget              | Actual              |

**NOTE 12     CONTRACTUAL OBLIGATIONS AND CONTINGENCIES**

The School District has approximately \$1.65 million of purchase orders which remain outstanding at June 30, 2026.

The School District, through its Scholarships and Bursaries special purpose fund, has committed to providing \$369,275 of post-secondary scholarships and bursaries at June 30, 2026.

The School District has contractual obligations in collective agreements with employee unions to provide certain future funds for employee professional development and collective agreement administration. The total of these commitments is \$1,131,032 at June 30, 2026.

The School District receives certain targeted funding from the Provincial Government that legislation stipulates the School District must spend on enhancing the education of Indigenous students. Unspent amounts at June 30, 2026 are \$278,537. The School District is committed to spending this amount on enhancing the education of Indigenous students, in addition to any future relevant targeted grants received.

**NOTE 12 CONTRACTUAL OBLIGATIONS AND CONTINGENCIES** *(Continued)*

The nature of the School District's activities are such that there is usually litigation pending or in process at any time. With respect to unsettled claims at June 30, 2026, management believes the School District has valid defenses and appropriate insurance coverage in place. In the event that any claims are successful, management believes that such claims are not expected to have a material effect on the School District's financial position or operations.

**NOTE 13 BUDGET FIGURES**

Budget figures included in the consolidated financial statements were approved by the Board through the adoption of an amended annual budget on February 18<sup>th</sup>, 2026. The original annual budget was adopted on May 14<sup>th</sup>, 2025. The original and amended budgets are presented below.

**NOTE 15      EMPLOYEE PENSION PLANS**

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at December 31, 2024, the Teachers' Pension Plan has about 51,000 active members and approximately 42,000 retired members. As of December 31, 2024, the Municipal Pension Plan has about 256,000 active members, including approximately 31,000 from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2023, indicated a \$4,572 million surplus for basic pension benefits on a going concern basis.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2024, indicated a \$2,675 million funding surplus for basic pension benefits on a going concern basis.

The school district paid \$9,745,307 for employer contributions to the plans for the year ended June 30, 2026 (2025: \$9,464,872).

The next valuation for the Teachers' Pension Plan will be as at December 31, 2026. The next valuation for the Municipal Pension Plan was December 31, 2027.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans.

**NOTE 17      ECONOMIC DEPENDENCE**

The operations of the School District are dependent on continued funding from the Ministry of Education and Childcare and various governmental agencies to carry out its programs. These consolidated financial statements have been prepared on a going concern basis.

**NOTE 18      RISK MANAGEMENT**

The Board ensures that the School District has identified its risks and ensures that management monitors and controls them. The School District has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

a) Credit risk:

Credit risk is the risk of financial loss to an institution if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash and amounts receivable.

The School District is exposed to credit risk in the event of non-performance by a borrower. This risk is mitigated as the School District does not have significant amounts receivable from any one borrower or class of borrowers.

It is management's opinion that the School District is not exposed to significant credit risk associated with its cash deposits as they are placed in Chartered Bank instruments or with the Provincial Government's Central Deposit Program.

b) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk and interest rate risk.

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. It is management's opinion that the School District is not exposed to significant currency risk, as amounts held and purchases made in foreign currency are insignificant.

It is management's opinion that the School District is not exposed to significant market risk associated with interest rate risk as the School District has no borrowings and interest earned on existing deposits is not significant to the School District's operations.

**NOTE 18     RISK MANAGEMENT** *(Continued)*

c) Liquidity risk:

Liquidity risk is the risk that the School District will not be able to meet its financial obligations as they become due. The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

Risk Management and insurance services for all School Districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance. There have been no changes to risk exposure from 2025 related to credit, market or liquidity risks.

**NOTE 19     SCHEDULES BY FUND**

The School District accounts for its financial activities using funds. The schedules on pages 28 to 43 of these consolidated financial statements provide financial information on those funds. They are prepared in a format prescribed by the MECC. The schedules are unaudited and unreviewed.
