Job Description

2526-457 VLearn

Summer Online Courses Teacher: PE, CLE, CLC (Grade 10-12)

12 full days, schedule to be determined in consultation with the Principal.

This is not a continuing posting

This position is effective June 29, 2026 and will continue until August 30, 2026.

While all applicants will be considered, preference will be given to qualified applicants who self-declare Indigenous ancestry.

The starting annual salary for a school teacher position ranges from \$60,000 to \$110,000, with placement on the range based on the length of service and qualifications in accordance with the collective agreement. Positions of Special Responsibility receive an additional pay allowance in accordance with the collective agreement based on the levels 1, 2, or 3.

Please contact Corinne McWhinney, Principal, if you have any questions about this position.

Online Learning/vLearn Program Specialist Teacher

As part of SD No. 22's Online Learning (vLearn) program the applicant must have a working knowledge of the BC Curriculum, teaching knowledge as it relates to the B.C. Online Learning Policy, skills and expertise in online teaching in specific subject areas, fluency in current inclusive education and assessment practices. An ability to develop, teach and support an individualized and comprehensive Student Learning Plan leading to graduation is required. Demonstrated skills in teaching and communicating with students, parents and educational colleagues within an Online Learning environment and Learning Management System are preferred. The successful applicant will be very skilled in setting up and using technology as a medium for teaching at a distance.

Additional Skills and attributes required will include:

- Two years successful online teaching experience in an online learning school and a Graduate degree or diploma focused on online teaching from a recognized post-secondary online teaching specialist program such as Thompson Rivers University, Vancouver Island University, University of Calgary, Athabasca University, or UBCO.
- Experience using D2L Brightspace as an LMS and supporting virtual connection through O365 Teams.
- Successful teaching experience in supporting students who find learning a challenge.
- A minimum of 3 years successful classroom teaching experience.
- Experience using a wide variety of web resources and tools to support online learning.
- A problem-solving aptitude conducive to implementing online learning solutions.
- A lifelong learner.

Applicants with successful classroom experience, online teaching specialist training, experience teaching and developing on-line curriculum, who possess a passion for creating new opportunities for their students and who like to push the edges of technology and its benefit to students and learning will be given primary consideration.
