

Board of Education
School District No. 22 (Vernon)
1401 – 15th Street, Vernon, BC V1T 8S8

December 16, 2020

Dear Members of our Local Community:

We are reaching out to you as representatives of School District #22. Our Wellness Committee is finding ways to support and improve our School District employees' overall health: physical, mental and emotional. We feel that one of the best ways to do that is to access the many resources available in our community that provide wellness services, and promote access to those services to our members.

We are reaching out to you today to ask for your support in creating a list of wellness opportunities and resources. The list will feature community businesses that will offer our employees an incentive to access their product, service or resource. This incentive may be in the form of a free class, session or product, a discounted rate for products, services or memberships, or a "buy one, get one free." The opportunities on this list will be posted on our district employee website. In return for providing this incentive, your business offer will be advertised on our website to our over 1000 employees and their families.

We would love to partner with you at this difficult time, by having employees reach out for services, and by bringing business your way.

If you would like to be part of this opportunity, please fill out the attached form and email it to Lynn Jamieson at LJameson@sd22.bc.ca. If you have a logo or have already produced a coupon, please attach it to your email or send it as part of your document.

Thank you in advance for your support of our employees. If you have any questions or concerns, please do not hesitate to contact Dan Curtis at DCurtis@sd22.bc.ca or Billie Jo Beaudoin at vp1@vernonta.com. Thank you in advance and we hope to hear from you soon.

Sincerely,

School District 22 Wellness Committee

A Great Place to Learn
