## Parent Financial Pledge (READ CAREFULLY)

**ON THE EDGE** Premier Hockey Academy runs on a very strict budget. Our single-minded goal is to bring the highest quality skills program at the best possible delivered price. Elite hockey development should not need to be fully out of reach for most families. Therefore, significant investments are made up front each year at OTE to provide the proper facilities, reliable SD22 transportation, top level instructors, and leading-edge training tools to deliver the highest quality and value-based program available. No expense is made on low-payback activities/materials. At OTE, we define payback as directly building your child's hockey skill toolbox.

Therefore, student cancellations will directly affect our ability to deliver on our promise to you and to the program. It is our expectation, that as a fully committed supporter of OTE, you recognize and accept your full financial obligations up front. **Please read this carefully.**

- ✓ Sports and other associated activities and/or any unassociated activities outside OTE all come with injury risk. I fully accept 100% of that risk on behalf of my child. I recognize and accept that OTE cannot be held financially accountable for this injury risk.
- ✓ I recognize and fully accept that I cannot hold the OTE Academy responsible for any financial re-imbursement if I decide to withdraw my child from the program due to any reason. Whether that be injury, illness, re-location to attend another Academy or for any other reason. If I withdraw my child from this program between April 1 and December 1st, 2025, I fully accept that that once a student offer is accepted, I forfeit the full amount of any and all cheques that have been cashed or payments made up to or at that time. I understand and accept that absolutely no refunds will be provided.
