

Here's how to make a big difference:

It's simple. You decide to help, and we facilitate the details. It's also flexible...

- You provide the criteria for selection of recipients
- You decide if you want to be involved in the selection process
- SD22 can administer the funds, or you can look after it yourself
- If the recipient is chosen by our selection committee, you may also be eligible for a tax receipt
- You can also present your award to the recipient at graduation

"As a father of four and sixth generation Vernonite, education and community involvement are at the forefront of my mind. Encouraging a new generation to explore the trades as a rewarding career is a passion I will continue to pursue. Let's all pitch in!"

Ted Fox, Owner, Fox Plumbing Heating Cooling Electrical

"We enthusiastically support students whose families cannot afford to financially assist them with their post-secondary education. We believe that these students will contribute even more back to society. We encourage individuals and groups to help us make this change happen for the betterment of our community."

James Kanester, Chair, Vernon Silver Star Rotary Scholarship Committee

On behalf of so many grateful SD22 students, thank you!

Remember completing high school and facing the world out there? The encouragement and motivation your scholarship or bursary provides is as significant as helping them pay for their education.
