

BOARD OF EDUCATION OF SCHOOL DISTRICT NO.22 (VERNON)

BOARD POLICY NO: 2.6

School Bus Transportation To / From School	
Approval Date:	February 19, 2026
Amendment Date(s):	
Reference:	

The Superintendent shall ensure that subsidized transportation to and from school is an option for students who live far from their catchment school or Program of Choice.

1. School Bus transportation routes shall be designed, where reasonably practicable, with consideration for safety, cost, efficiency of service, and environmental impact to
 - a. Accommodate Eligible Riders;
 - b. Pick up and drop off students no further than the Walk Limit from their home address;
 - c. Minimize time between pick up and start of classes; and
 - d. Minimize time between end of classes and drop off.
2. If no route is available, families of Eligible Riders not attending a Program of Choice will be offered financial assistance for transportation.
3. Remaining available seats shall be provided to Courtesy Riders.
4. The Superintendent shall, annually, bring forward fees charged to families for transportation to/from school to the Board for approval.
