The Interior Provincial Exhibition (IPE) is the longest running Agriculturally based fair in Western Canada hosting its 121st fair this year. It is an exciting five-day agricultural fair that provides the opportunity for our guests to have fun and get back to their agricultural roots while enjoying premier entertainment, great food, midway rides, livestock, an evening rodeo, and much more. It is held each year in Armstrong BC from Wednesday to Saturday over the Labour Day long weekend.

Every year our Board of Directors endorse 2 scholarships. One award is to recognize the importance of volunteering and the other is to encourage a career in agriculture.

Thank you. If you have any questions, please contact me.
